DESIGN RELATED EXPERIENCE

Design Intern - Croft Architecture
Greenville, SC 05/2016 - 08/2016

- Verified and field measured existing conditions of projects which allowed for senior architects to work on creative design and continue revenue flow
- Developed space plans and designed small scale projects
- Specified and suggested materials and furnishings for projects
- Created existing conditions, schematic design, and design development drawing sets
- Documented and photographed existing and completed work to be used for marketing and advertising purposes
- Customized and formatted documents that allow for the firm to have a set standard and image
- Converted drawings from contractors and outside sources into firm standards to streamline projects

Job Shadow- Elizabeth Mann Designs
Greenville, SC 04/2013

- Observed communication with clients
- Oversaw and organized materials and specifications
- Engaged in client meetings and discussed goals for projects

OTHER EXPERIENCE

Day Care Professional - Westminster Weekday School
Greenville, SC 06/2015 - 12/2016

- Oversaw classroom activities and monitored care of children
- Communicated effectively with parents, children, and other staff
